

**The Y]K Fest Committee
Welcomes you to:**

**Proudly Sponsored by
InTrec Software**

**Your KansasFest Committee:
Cindy Adams, Jerry Cline, Steve Gozdziewski,
Max Jones, Stan Marks and Allen Moore**

Special thanks to the publishers, writers, and all those who have worked so hard to make this year's KansasFest a reality, and to Syndicomm for the use of their Conferences on Delphi.

Welcome to Y][KFEST, once again being held at Avila College in Kansas City, Missouri! We hope you enjoy the conference, special events, and meet new friends at this once-per-year computer expo specifically for Apple computers, especially the Apple II line.

Room Assignments:

Everyone has been assigned a roommate based upon your stated preferences at registration. If there is a problem with your room, please contact a KansasFest staff member at the registration desk. Please note that anyone 18 or younger must be accompanied by an adult!

Meals :

Meals will be provided by Avila College in the cafeteria at the assigned times listed in the schedule. If you have paid for a dorm room, all meals are included with your KansasFest registration.

If you are not staying at Avila College, meals are still available. To order a meal, please contact an Avila employee in the cafeteria. KansasFest is not handling meals that have not been pre-paid as part of a dorm registration.

The KFest Web Site is hosted by Eric "Sheppy" Shepherd and maintained by David Kerwood. The email list is the "domain" of Devin Reade.

They all deserve our appreciation for providing year round communication for anything/everything related to KFest.

HackFest:

Once again KFest features this special programming contest. Whether you attend as a participant or an interested observer you're sure to enjoy this unique event!

While you're there, don't forget to thank Eric Shepherd for all the work he did to make HackFest '00 possible!

Special thanks to Max Jones (Juiced.GS), InTrec Software, Geoff Weiss, Tony Ward, and two anonymous donors for their generous prize contributions.

The Apple II Spirit:

This is always a very special part of KansasFest and everyone attending keeps this spirit alive by adding something to our celebration of the computer and the attitude it generated. A special thanks to all for your contributions this year and every year!

Rules of Conduct:

Because of some minor problems with previous KansasFests, Avila College would like you to be aware of the following rules to be followed while attending Y][KFEST:

- No fireworks or explosives of any kind, including dry-ice bombs will be allowed - NO EXCEPTION. Anyone using any sort of firework or explosive will be expelled and their registration will be forfeited.
- KansasFest attendees are not welcome on dorm floors, rooms, or other areas that are being used by other conferences. Please keep to the areas assigned to KansasFest and please don't wander about Avila without reason.
- Because of state fire regulations (not to mention common sense and respect for other people), there will be no commandeering of elevators for any reason. All elevators are to remain operating at all times! This is also grounds for expulsion from KansasFest.
- Please note that Avila is a "dry" (alcohol-free) campus.
- NO RUNNING PHONE LINES!!! This is very important! You may use the phone jacks in the dorm rooms, or in the Telecom Room if it is not currently being used for a conference. However, you may NOT run your own phone lines for any reason without expressed permission from a KansasFest staff member. Avila is VERY picky about this because people have taken advantage of their good nature in the past.
- There will be no smoking in any building at Avila College except for dorm rooms that have been designated as smoking rooms.
- There should be no excessive noise after 10PM. Remember that other conferences with members who may keep regular hours will be at Avila at the same time as KansasFest. Since most of us are night owls, we will have to keep things down after normal sleeping hours.
- Finally, and this is worth repeating, please respect other conferences that are being held at Avila at the same time as KansasFest! This includes the noise rule and the "Don't bug other conferences" rule above, as well as walking in on their events and accosting their members.

As We Begin

The entire KansasFest staff would like to wish you the VERY best of times at our little get-together. We hope that Y][KFest will leave you with many happy memories and some new friends. And, of course: **Apple II Forever!**
