

APPLE II - MACINTOSH

# kansasfest

JULY 17-22  
ROCKHURST UNIVERSITY  
KANSAS CITY, MISSOURI

THIS SUMMER,  
KANSAS CITY IS  
GONNA PARTY  
LIKE IT'S 1977.

Come join the 30th anniversary celebration of the Apple II at KansasFest, the world's only annual conference dedicated to the first personal computer. Featuring keynote speaker David Szetela, founding editor of Nibble Magazine and former manager at Apple Computer.

KansasFest: Five days of very late nights and oh-so-early mornings. Five days of sessions, contests, great stories, tips and tricks, fun and games, and meeting the superstars of the Apple II world. Five days of things that "just can't be done on an Apple II."

Dates:  
July 17 - 22

Prices (valid through May 31st)  
Double Room, Conference & Meals ..... \$340  
Single Room, Conference & Meals ..... \$410  
Conference & Evening Activities Only.... \$235
