- Lifelong Silicon Valley resident currently residing in Santa Clara California (2.5 miles from new Apple HQ- 4 miles from Infinite Loop Campus)
- Retired Pharmacist, photography Hobbyist, computer user since 1981
- Purchased Apple II+ in 1981, Apple IIe in 1983 (used), Apple IIGS ROM 0 (used)-upgraded to ROM1 soon after purchase in 1988.
- Acquired B&H Apple II+, Apple IIc, Apple IIc+ over the years. Member of PIE Inc (Programming and Interfacing Enthusiasts) for many years
- Late Mac Adopter- first Mac was a Quadra 605 in 1994
- I have rescued multiple Apple II computers and peripherals over the years. They are all stored in my small apartment.
- Still meet with friends (that were originally Apple II users, some worked for Apple) every Saturday for lunch, and on Tuesday mornings for a 2 hour walk.
- Member of the Computer History Museum in Mountain View- attend as many programs as I have time for.
- Attended multiple KansasFests over the years at Avila and Rockhurst. Attending every year the last few events after I retired.
- I am definitely a hobbyist. I can not program my way out of a paper bag, barely know which end of a soldering iron to hold or the difference between a resistor and a capacitor. Chips are a mystery to me.
- I have forgotten more than I remember.
