

KansasFest 2010

The 21st Annual Apple II World Conference

Where—When—How

- KFest 2010—The most important Apple II event of the year — FIVE FUN-FILLED DAYS!
- When: July 20-25, 2010 Tuesday – Sunday
- Where: Rockhurst University, Kansas City, Mo.
- Check-in: 1–4 pm Tues. Checkout by: 1 pm Sun.
- Be part of the fun — Join us at KFest 2010!
- See it online:
 - Photo journals (previous KFests):
<http://www.kfest.org/gallery/>
 - Campus: <http://www.kfest.org/rockhurst/>
- Join the KFest email list, and get in on the fun! Meet and socialize with fellow Apple II enthusiasts. Send email to: kfest-subscribe@lists.gno.org, and in the email body, enter **ONLY: subscribe** on a line by itself —then reply to the forthcoming confirmation email request. A news-only email list is also available, as are RSS and Twitter feeds.
- KFest folks are just real people who enjoy getting together in learning sessions, during meals, and while lounging around through the night talking and hacking away. You won't want to sleep — you'll love the whole experience!
- Prearrange rides to/from the airport with fellow KFesters (it's a fun part of the whole trip!). Ask how when you join the KFest email list.

- Children under 18 years must be accompanied by a parent or legal guardian.

Meals

- KFest's low rates include your room starting Tuesday, and meals from Wednesday afternoon (the annual Kookout) July 21, through Sunday morning (breakfast) July 25. Saturday evening dinner is not included – that's KFesters' Night Out On The Town! Attendees dine on their own at one of the many fine restaurants near the Rockhurst campus, or join groups of KFesters at a local favorite selected by the committee.
